

BASICS PLUS WRESTLING CAMPS TRAVEL ITINERARY

Fax this form to Earl Walker at 617-641-0011

Dear Camper,

The form below is to be used to give us your travel information. We will use the form to pick you up upon your arrival. If you plan on driving in, you can disregard this form

If your travel plans should change, the camp director at your site will need to be notified. All of the numbers for directors at the site you will attend will be on this web site and on the hard copy of your confirmation. There will be someone to answer the phone at all times during registration day at each one of our sites.

You may experience a short delay on pick up day. The delay should be no more than 10-15 minutes at the most. Give the director at your site a call if the delay is any longer than that. Please do not panic. We will be making a large number of pick ups on registration day. If you arrive early, give your director a call. We will be there to pick you up as soon as possible. We will not be able to make all pick ups at the gate. However, if there are any campers that feel an at gate pick up is absolutely necessary, we will do our best to accommodate. (Please call the camp director at your camp location to work out the details.)

All individuals traveling by plane should meet their party down in the luggage area of the airline that they are flying on. If you are traveling by bus or train, you will need to make arrangements with your site director. **Our staff pick up person will be wearing a wrestling camp T- Shirt.** If you arrive late, we will need to hear from you. The key is to keep us informed at all times about any changes or delays regarding travel plans or arrival times. Again, you need to stay in contact with your camp site director.

All travelers should travel with a cell phone. That cell phone number should be listed on the form below.

There will be a \$20.00 pick up fee for your round trip transportation. This fee can be paid at registration or it can be paid as part of your total balance. We can only make pick up if they are within a 20 mile radius of the camp site or the Philadelphia International Airport unless other arrangements can be agreed upon.
